- **NOTE: The standunits and market stalls come without electricity. Additional stand equipment can be ordered in the webshop. Further information will follow after registration.**
- **All exhibitors receive 1 leadscan from the organisation.**
- The standunits (market stalls excluded) are including:
  - Black walls (height 250 cm) - (if white walls are required, this can be mentioned on the application form)
  - frieze (height 30 cm)
  - carpeting (colour: grey)
  - spotlights (amount of spotlights is equal to the amount of width meters of the stand and are applied to the fascia)
  - 2 chairs and 1 table (80 x 160 cm). **This is excluded for standunit type A.**
- There is a limited amount of market stalls available. The size of the table in the market stall is ± 1,80 x 1 meter and the canopy ± 2,25 x 2 meters. Per organisation/company a maximum of 1 market stall can be hired. The market stalls will be grouped in a separate section of the exhibition. The stalls are included with: 2 adjustable spotlights, carpeting, 1 chair, sign with company name displayed on the canopy and a black table skirt.
- The price of the floorspace without standunit has carpeting included but all the other stand equipment/facilities are excluded. A professional stand on this floorspace is required. The minimum purchase is 15 m<sup>2</sup>. The size (width x depth) has to be confirmed by the exhibition team.
- For cornerstands (standunits and floorspace without a standunit with a rear wall and 1 side wall) an additional 10% is charged.
- For a header stand (standunits and for floorspace without a standunit with only a rear wall and no side walls) an additional 15% is charged.
- For island stands (standunits and floorspace without a standunit which are open on all 4 sides) an additional 25% is charged.
- Larger sizes are possible after consultation with the exhibition team. See also floorspace without standunit. The walls of the standunits are 3 cm thick. Therefore the exact width of the standunit/floorspace can be 3 cm narrower than indicated.
- The above prices will be granted a 2% discount when registering before 1 March 2020.
